# Sumner County Schools Pathway to Re-entry

## Considerations and Recommendations for Sumner County Schools

Our goal is to support student learning across multiple platforms considering every possible precaution for the health and safety of students and staff.

The Sumner County Board of Education has developed guidance to support our schools and communities as we navigate reopening schools. *Sumner County Schools Pathway to Re-entry* provides a tiered approach with clear, actionable steps to be followed as students and employees return to school buildings, along with a plan that is applicable throughout the 2020-2021 school year.

This approach was built in consultation with federal, state, and local health guidance and is designed to help the district and schools prioritize the health and safety of students and employees as we open school buildings and deliver instruction for the 2020-2021 school year.

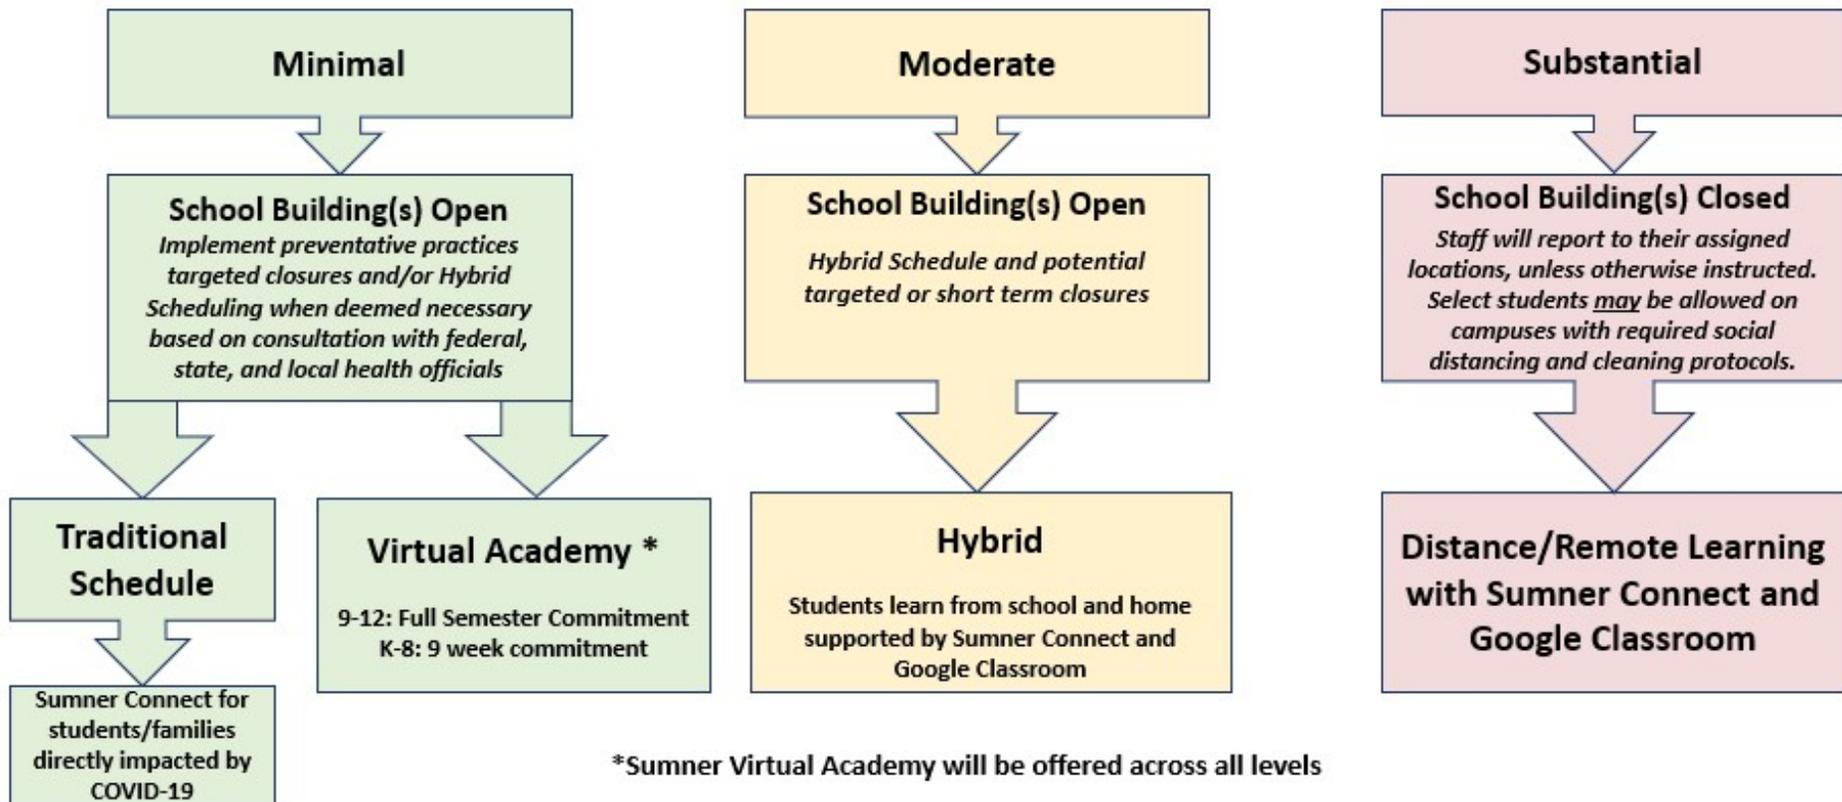

*Sumner County Schools Pathway to Re-entry* provides guidance to stakeholders as we prepare to begin the school year.

The Sumner County Board of Education will continue to evaluate and update the plan for our schools as we navigate the academic, social, and emotional effects of the COVID-19 pandemic on students and employees.

We all have a shared responsibility in protecting the health and safety of our school communities during this unprecedented pandemic and ask for everyone's understanding, support, and cooperation.

***This plan may be altered based on federal, state, or local guidance.***

## Practicing Prevention

- Maintain daily communication with state and local health officials
- Participate in contact tracing efforts as directed by state and local health officials
- Parents should screen their students daily for symptoms, including temperature checks, prior to entering the school. (see *Self Screening Tool*)
- Staff should screen themselves daily for symptoms, including temperature checks, prior to entering the school (see *Self Screening Tool*).
- Midday temperature checks of all students
- Face Coverings will be strongly encouraged, but not required unless legally mandated by state and local officials. Reusable face coverings provided by the State of TN will be made available to staff and students.
- Encourage students and staff to bring personal hand sanitizer and face coverings
- Teach and reinforce good hygiene measures such as handwashing and covering coughs
- Minimal use of shared supplies
- Provide hand soap and hand sanitizer with at least 60% alcohol, paper towels, and no-touch trash cans in all bathrooms, classrooms, and frequently trafficked areas.
- Strategic movement of students, where feasible
- Post signage in classrooms, hallways, and entrances to promote good hand hygiene, prevention measures, and listing COVID-19 symptoms.
- Clean/disinfect frequently touched surfaces at least daily and shared objects after each use
- BIOESQUE Disinfectant Solution used to clean and disinfect classroom and shared spaces routinely. >[EPA list of approved products](#)
- Water fountains closed. Water Bottle Filler Stations available. Students encouraged to bring personal water bottle.
- Plexiglass shields at front office areas
- Conduct deep cleaning of schools prior to students/staff returning; schedule periodic cleanings during weekends or school holidays/breaks (to the extent practicable)
- When students or staff members present with COVID-19 symptoms or test positive follow protocol (see *When a Student or Staff Member tests COVID positive or presents with COVID-19 symptoms at school*)

### In addition to minimal section guidelines:

- Face Coverings will be strongly encouraged, but not required unless legally mandated by state and local officials. Reusable face coverings provided by the State of TN will be made available to staff and students.
  - Student numbers reduced due to hybrid schedule
  - Enhanced social distancing measures (see *Student Transitions, Building Use, and Supporting Teaching and Learning*)
  - American Academy of Pediatrics

## Supporting Teaching and Learning

- Prepare for potential future remote learning by embedding digital resources into all learning platforms:
  - Utilization of Google Classroom tools to provide access to lessons, assignments, and classroom resources.
    - Embed digital curricular resources into Google Classrooms
    - Weekly usage of Google Classroom
  - Provide professional development support for all educators through Sumner Connect.
    - Sumner Connect Lead in each school to support teachers using remote learning tools
    - Training and support for teachers on utilizing Google Classroom
    - Training and support on Remind
    - Training and support on using digital curricular resources
    - Implement additional job-specific training for targeted substitute teacher group
    - Increase high school substitute pool by compensating existing high school teachers for substituting during their planning period
  - Provide training and support for parents on remote learning tools through Sumner Connect.
    - Tutorials on how to access Sumner Connect learning resources
    - Tutorials on how to access communication tools
  - Provide training and support for students on remote learning tools.
    - Practice logging into and using Sumner Connect learning tools
- Different learning options to meet student needs:
  - Traditional classroom instruction and schedule
  - Sumner Connect
    - Daily access to lessons and resources for short-term absences
    - Library of video lessons by grade level and subject
    - Support from traditional classroom teacher
  - [>Sumner Virtual Academy](#)
    - 100% remote learning from home
    - **Sign-up available during online registration through Skyward July 15-22**
    - **Enrollment process will be completed at your zoned school on designated registration nights**

### In addition to minimal section guidelines:

- Updated guidance for parents and teachers will be posted on the Sumner Connect portal.
- All classroom work and assignments will be coordinated through Google Classroom.
- Teachers will communicate with all students and parents via Remind.
- Schools will implement plans to distribute digital devices, if needed, and available curricular resources for students to learn at home.

### School buildings are closed.

- All SCS employees report to work on normal schedule and location, unless otherwise instructed.
- Select students in school buildings, if necessary
- Sumner Connect portal will update regularly with information for parents and students.
- All instruction will be coordinated through Google Classroom.
- Teachers will connect with parents and students through Google Classroom and Remind.

## Student Transitions

- Implement standard operating procedures outlined in *Practicing Prevention*
  - Strongly encourage students/staff to wear face coverings.
- School specific plans will be designed by school administration to reduce student movement, movement within shared spaces, and modify dismissal practices. School specific plans will be posted on individual school's website.

### In addition to minimal section guidelines:

- Face Coverings will be strongly encouraged, but not required unless legally mandated by state and local officials. Reusable face coverings provided by the State of TN will be made available to staff and students.
- Limit exposure between groups of students (to the extent practicable)
- For class changes and other transitions throughout the school day options may include:
  - Provide additional time for transitions
  - Designate areas of the hallway (i.e. lanes) as flow paths to keep students distanced and minimize congregation of students
  - Plan staggered class (ex: by hall, odd/even rooms, grade/subject) changes to decrease number of students in hallways at one time
  - Have students stay with the same group of students and staff throughout the day

School buildings are closed.

### Hybrid Schedule Model

### Hybrid Schedule Model

- Last name A-K students will attend traditional classes at school on Monday/Thursday and at home with Sumner Connect and Google Classroom on Tuesday/Friday.
- L-Z students will attend traditional classes at school on Tuesday/Friday and at home with Sumner Connect and Google Classroom on Monday/Thursday.
- Wednesday all students will attend via Sumner Connect and Google Classroom at home.

**When a Student  
or Staff Member:**

**Tests COVID-19  
Positive**

**Presents with  
COVID-19  
Symptoms at  
School**

**COVID-19 Positive**

- SCS will assist the local health department in contact tracing and follow local health department recommendations.
- Using SchoolMessenger, the school will notify staff and parents of students that have come in close contact with a COVID-19 positive individual at school.
- Staff who test COVID-19 positive should report this to their supervisor/principal immediately. The supervisor/principal will contact HR. HR will work directly with the employee on federal requirements as it relates to COVID-19.
- The school will restrict use of impacted workspace for cleaning and temporarily move activities to another space in the school.
- COVID-19 positive students/staff must submit a return to work/school letter from their healthcare provider before being allowed to return to school.
- Students who are directly impacted by COVID-19 can continue learning at home via Sumner Connect and Google Classroom.

**COVID-19 Symptomatic**

**Students**

- Students who present with COVID-19 symptoms during the school day will be separated from other students, given a face covering, and evaluated by the school nurse. If the nurse confirms that the symptoms are consistent with COVID-19, parents will be contacted to pick up their child. Parents are asked to consult with their child's healthcare provider prior to the student returning to the school building.
- If a COVID-19 test is recommended by the healthcare provider, the student should quarantine at home until test results are back. A negative test result OR a return to school note should be presented prior to their return.
- Sumner Connect and Google Classroom are available to support all children when in quarantine.

**Staff**

- Staff who present with COVID-19 symptoms during the school day will notify their principal/supervisor immediately, be given a mask, have no further contact with staff/students, and they will be asked to consult with their healthcare provider prior to returning to the school building.
- If a COVID-19 test is recommended by their healthcare provider, the staff member should quarantine at home until test results are available. A negative test result OR return to work note must be presented prior to their return.

**Comes in Close  
Contact but  
Asymptomatic**

**COVID-19 Close Contact Exposure but Asymptomatic**

Using SchoolMessenger, the school will notify staff and parents of students that have come in close contact with a COVID-19 positive individual at school.

**Students**

- Students who were in close contact with a COVID-19 positive individual are encouraged to consult with their healthcare provider prior to returning to school.
- Students are strongly encouraged to quarantine at home for 72 hours to monitor for symptoms.
- Based on consultation with your healthcare provider, and if the student has remained asymptomatic for 72 hours, the student may return to school.
- Students will be screened upon their return and are strongly encouraged to wear a mask for 14 days from the exposure.
- Students can continue learning at home via Sumner Connect and Google Classroom if preferred or recommended by their health care provider.

**Staff**

- Staff who were in close contact with a COVID-19 positive individual are encouraged to consult with their healthcare provider prior to returning to school.
- If a COVID-19 test is recommended by their healthcare provider, the staff member should quarantine at home until test results are available. A negative test result OR return to work note must be presented prior to their return.
- If the employee is not exhibiting symptoms, they may continue to work, as an Exposed Asymptomatic Critical Infrastructure Worker (<https://www.tn.gov/content/dam/tn/health/documents/cedep/novel-coronavirus/critical-worker-exposed-guidance.pdf>).
- The employee should wear a face covering at all times while at work for 14 days after the last exposure.

**CDC Guidance**

>[Symptoms of Coronavirus](#)

**When a Student or Staff Member Resides in the Home with a COVID-19 Positive Individual**

**Staff that Resides in the Home with COVID-19 Positive Individual**

- Staff who reside in the home with a COVID-19 positive individual should report this to their supervisor/principal immediately. The supervisor/principal will contact HR. HR will work directly with the employee on federal requirements as it relates to COVID-19.
- Staff will be asked to consult with their healthcare provider prior to returning to the school building.
- If a COVID-19 test is recommended by their healthcare provider, the staff member should quarantine at home until test results are available. A negative test result OR return to work note should be presented prior to their return.

**Student(s) that Resides in the Home with COVID-19 Positive Individual**

- We request that parents inform the principal if their student resides in the home with a COVID-19 positive individual.
- Families are encouraged to consult with their health care provider and follow their recommendations.
- If a COVID-19 test is recommended by the healthcare provider, the student should quarantine at home until test results are back. A negative test result OR a return to school note should be presented prior to their return.
- If a quarantine is recommended, Sumner Connect and Google Classroom are available to support students during a quarantine period.

**Self-Screening Tool**

Families should check student’s temperature and ask the screening questions below before leaving for school each morning. All staff members should complete the same self-screening before reporting to work each day. Students and staff should remain home if they answer yes to any of the listed questions or have a pending COVID-19 test, until results are available.

**Screening Questions**

- Have you been in close contact (as defined in Definitions) with a confirmed case of COVID-19 within the past 14 days?
- Are you experiencing a new onset cough, shortness of breath, sore throat, or stomach symptoms not related to an existing chronic condition?
- Have you had a fever 100.4 or greater in the last 48 hours?
- Are you experiencing a new loss of taste or smell?

The Sumner Virtual Academy (SVA) will serve as an alternative method of instructional delivery for students Kindergarten through twelfth grade, and students enrolled in this option will receive daily online instruction delivered by a classroom teacher. Assignments and assessments will be regularly assigned through the Google Classroom platform. The same expectation regarding high quality instruction following the district's curriculum and pacing will take place at SVA. Kindergarten through eighth grade students will enroll in Sumner Virtual Academy and be committed for nine weeks at a time. High School students (9th-12th grades) will enroll, and be committed for the semester.

The Sumner Virtual Academy is also required to monitor student daily attendance in accordance with all applicable state laws, regulations, and local school board policies. Parents/guardians have the legal responsibility to be accountable for their student's attendance under state law. Virtual Academy faculty will monitor violations of the state compulsory attendance laws and report truant students to the proper legal authorities.

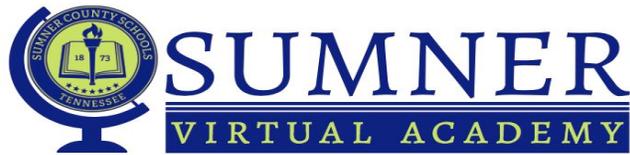

Virtual Academy students are required to attend multiple sessions each day and are expected to adhere to all district attendance policies. Attendance is based on participation in online learning sessions and work completed. An instructional day consists of six and one-half (6.5) hours of learning. Failure to attend sessions each day and/or complete lessons assigned by the teacher may result in a student being recorded as absent for the instructional day.

Virtual school enrollees may participate in activities within their school of zone following the TSSAA guidelines.

Parents/guardians and student should understand, acknowledge, and agree to the following:

- The parent/guardian and student are responsible for monitoring student progress in each course and each course must be completed to receive credit;
- The parent/guardian and student are subject to compulsory attendance requirements;
- The student must participate in live sessions each school day and failure to login and/or complete lessons may result in the student receiving an absence for the instructional day;
- Each student will have reliable, daily access to the internet and a computer/device outside of school.
- The student will comply with district policies and will follow the traditional classroom hours and calendar.
- Teachers will provide assignments, provide feedback, and record grades in Skyward. Formal reports of grades will follow the same timeline of the traditional calendar.
- Students receiving special education services will be assigned a teacher at their school of zone/service, subject to change based on enrollment.
- Failure to meet the requirements of the Sumner Virtual Academy will result in a hearing by the academy's review board for a possible return to the child's school of zone.

Those interested in this enrollment option will be able to register through Skyward but will complete their enrollment on the designated Registration Nights at their school of zone.

## Sumner Connect Purpose and Objective

Sumner Connect, and its website, will serve as a training and information hub to support Sumner County educators, students, and parents. With an increased importance placed on the effective delivery of remote instruction, Sumner Connect and its site aims to provide support to ensure a smooth integration of technology in classrooms, both within a building and virtually. Through the use of Google Classroom and other online tools, teachers and parents can assist students to seamlessly transition from the traditional classroom to a virtual setting.

### How will Sumner Connect support families?

Sumner Connect will:

- Provide tutorials for parents as they navigate Google Classroom and Skyward.
- Provide additional tutorials to support the navigation of Google tools.
- Load parents into Google Classrooms, so they may opt in to receiving Guardian summaries regarding their student's academic progress.

Sumner Connect will *no longer*:

- Serve as the platform of accessing lessons and instructional activities. Instruction will now be delivered through the teacher's Google Classroom.

### How will Sumner Connect support teachers?

Sumner Connect will:

- Create and provide tutorials for teachers regarding various Google tools and Skyward.
- Support teachers as they provide instructional materials for students during their possible prolonged absence through the teacher's Google Classroom.
- Provide pacing guides to support the proper implementation and delivery of curriculum while in the virtual setting, along with the guidance from the Instructional Department and support teams.
- Provide a library of pre-recorded videos created by select district teachers available for teacher access and shareable to Google Classroom. These videos will be Kindergarten through eighth grade and will include math, ELA, and foundational language.
