Dear Parents/Guardians,

April 5, 2021

As we look toward the 2021-22 school year, WBE is excited to announce a new opportunity for before/after school care. The new program will be sponsored by the school. The funds from the program (after paying for program and staffing needs) will be used for school projects such as playground equipment, technology, etc. While our partnership with the YMCA Fun Company has been a great one, WBE believes that our students and school will benefit from keeping childcare funds in-house.

The before/after school care program will be licensed under the TN Department of Education and will follow the state guidelines for the health, welfare, and safety of students. The program caregivers will promote learning, fun games and activities, and development for the "whole child." The program will be an extension of the high-quality experiences that WBE students have within the school day.

The program will provide before and after care on school days only. It will not offer services during school breaks or summer. However, there are other schools in the area that may be able to provide care for your child at that time if needed.

The program will open at 6:30 a.m. and close at 6:00 p.m.

Registration Fee                    \$40 for 1 (Discount provided for more than 1 child)

Before-school care                \$45 weekly

After-school care                 \$55 weekly

Before and after care            \$65 weekly

Our new director is Kyla Jordan. She comes to us from Jack Anderson Jags' Treehouse with 14 years of experience as an assistant director. She is enthusiastic, full of great ideas, and excited to work with your children!

To ensure appropriate staffing, WBE is conducting a Before/After School Care Needs Survey. Actual registration will occur on July 26 and 27 during SCS Registration Evenings. If you are interested in enrolling your child/ren in the WBE program, please complete the attached form and return it to your child's teacher by April 23, 2021.

Thank you,  
WBE
